PASSAGGIO 1 DI 14

Wet your galaxy-patterned card base with water using a spray bottle. Ensure the surface is evenly dampened before proceeding.

PASSAGGIO 2 DI 14

Tilt the card at an angle and use a paintbrush to spot ink onto the surface, allowing it to drip down naturally. Continue adding ink spots across the card to create an organic, flowing effect.

PASSAGGIO 11 DI 14

Take your ink pad and run it along all four edges of the floral topper to create a defined border. This gives the appearance of a matted layer without adding extra card.

PASSAGGIO 12 DI 14

Mount the stamped lily floral arrangement onto the inky splatter background card. Position it at an angle towards the top of the card, raising the edges slightly with foam pads to add dimension.

CONSIGLI DALLA PUNTATA

- Watercolour card works well for this technique, but any card will do.
- Adding solid leaf stamps behind the main image helps to bulk out and frame the focal point.
- You can edge your image with the ink pad edge to create a subtle matted effect without using a separate matte layer.
