2

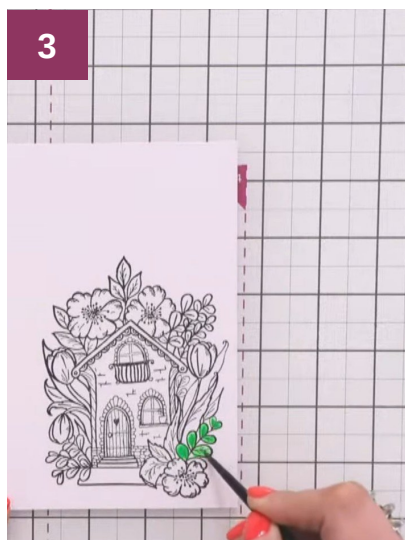

PASSAGGIO 2 DI 14

Wet your watercolour paints with water to prepare them. Dampen your mat or use clean water in a jar for blending.

3

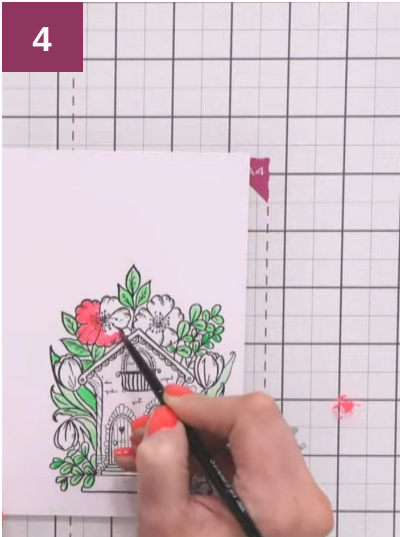

PASSAGGIO 3 DI 14

Using the neon green watercolour from the Thirsty Brush Unlimited Watercolour Neon Collection, paint the flower and leaf elements around the house. Use only a small amount of paint as the pigment is highly concentrated.

4

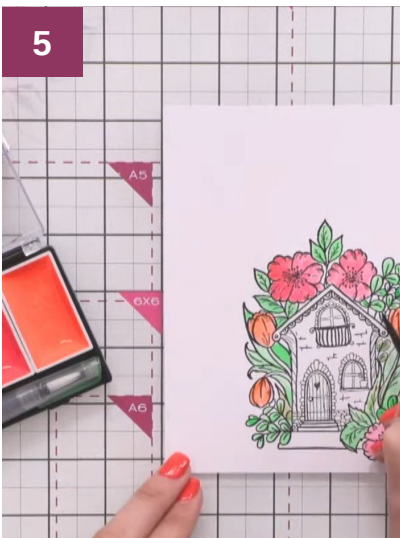

PASSAGGIO 4 DI 14

Using the neon pink and orange watercolours from your palette, paint the remaining flowers on the stamped image. Leave the house itself unpainted so it remains in black and white for contrast.

5

Dry the painted card completely using a heat gun. Hold the heat gun over the card and move it around to ensure even drying of all the watercolour areas.

PASSAGGIO 7 DI 14

Tilt your ink pad at an angle and edge the card all the way around to create a defined border. Work your way around all four edges of the card to frame the image.

CONSIGLI DALLA PUNTATA

- The neon watercolours are highly pigmented, so use only a tiny amount to avoid needing multiple layers.
- You can dilute the neon paints down to a paler colour if you prefer a softer look.
- If you don't have the You and Me die, use any word die from your stash to create the hidden message effect.
