IL PROGETTO

Create a beautiful springtime card featuring hand-painted watercolour daffodils in vibrant yellows and oranges. The daffodils are fussy-cut and layered with foam pads to add dimension, set against a white background with subtle script text stamping. This elegant design combines watercolour painting with precision cutting techniques for a sophisticated mixed-media effect.

CONSIGLI DALLA PUNTATA

- The script background in the stamp set allows for mixed-media and grungy techniques.
- Layering two cut-out daffodils creates a fuller, more dimensional appearance.
