

Sadie Stencilled Card with Heat Embossed Dress

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT SHOW 15TH ARPIL - 15 APRILE 2023

IL PROGETTO

Create a beautiful card featuring an elegant lady in a flowing dress, embellished with heat embossing for added sparkle and dimension. The design combines delicate stencilled floral elements with turquoise and pink watercolour washes, creating a soft, romantic aesthetic. This project uses stencilling and heat embossing techniques to achieve a stunning layered effect.
