

Watercolour Sunset Background with Stamped Landscape

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT SHOW 18TH MAR 23 - 18 MARZO 2023

IL PROGETTO FINITO

IL PROGETTO

Create a beautiful watercolour sunset card featuring vibrant orange, yellow and purple tones that blend softly into one another. This project uses reactive inks and water to create a stunning graduated background, which is then enhanced with a stamped landscape scene. The finished piece has a serene, artistic quality with the landscape appearing to emerge from the colourful horizon.

PASSO PASSO

PASSAGGIO 1 DI 9

Wet your watercolour card thoroughly with water using a brush or spray. Place the wet card onto your wet mat to prevent it from curling as you work.

PASSAGGIO 2 DI 9

Apply yellow ink to the wet card using a flat brush, working it into the surface with smooth strokes.

PASSAGGIO 3 DI 9

Apply pink ink to the card, blending it with the yellow to create a tropical sunset effect. Work the pink colour into the gradient, focusing on the areas where you want warmer tones.

PASSAGGIO 4 DI 9

Apply blue ink to the upper portion of the card to represent the sky, blending gently with the orange and yellow colours below to create a smooth transition.

PASSAGGIO 5 DI 9

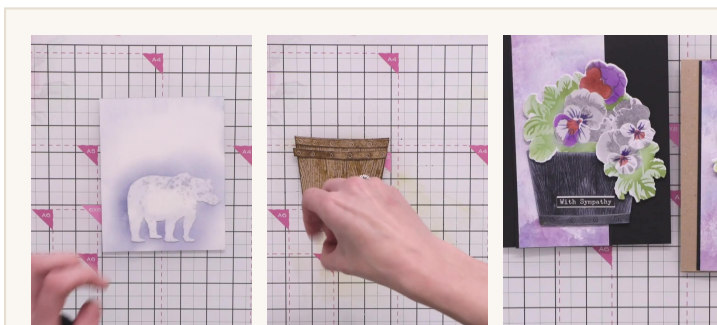

Use your heat tool to blast off excess water from the watercoloured panel. This will lighten the colours and create a bright horizon line effect across the centre of your sunset background.

PASSAGGIO 6 DI 9

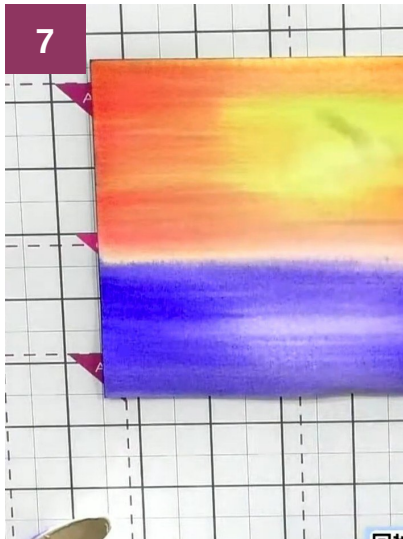

Use a clean, damp brush to lift out a circular area in the centre of the sunset for the sun, creating a bright focal point. Gently work the brush in circular motions to remove colour and reveal the white card beneath.
