

Window Detail Card with Layered Shadows

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT SHOW 18TH MAR 23 - 18 MARZO 2023

IL PROGETTO

Create a striking card featuring a scenic cabin landscape with mountains, trees and a lake, brought to life with vibrant watercolour-style colouring in sunset hues of pink, orange and yellow. The design uses stamping techniques with added black ink shadows around a window detail to create subtle depth and dimension, giving the impression of looking into the peaceful scene.

PASSO PASSO

1

PASSAGGIO 1 DI 5

Stamp the cabin scene from the Reflection stamp set onto your coloured background card using black ink. Position the stamped image centrally on the card to create the main focal point of your design.

2

PASSAGGIO 2 DI 5

Trim the stamped image to your desired size and shape using a trimmer or scissors. Keep the main scenic elements within your chosen dimensions.

3

PASSAGGIO 3 DI 5

Using a black ink pad, apply ink around a specific window area of the stamped image to create a shadow effect. This draws attention to that particular detail and adds depth to the scene.

4

PASSAGGIO 4 DI 5

Mount the trimmed stamped piece onto a contrasting card blank, positioning it centrally to create a finished card with the colourful mountain scene as the focal point.

5

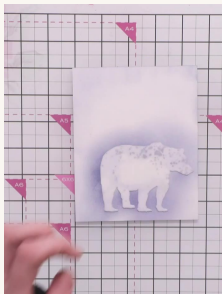

PASSAGGIO 5 DI 5

Add any additional details to your card such as gel pen highlights or sparkle accents if desired. This completes your window detail card with layered shadows.

CONSIGLI DALLA PUNTATA

- Subtle shadows create depth and guide the viewer's eye to important details in your design.
- A small amount of black ink can dramatically change the focus of your card.
- Layering shadows within shadows creates a sophisticated, professional-looking result.
