UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT SHOW 18TH MAR 23 - 18 MARZO 2023

IL PROGETTO

Create a beautiful monochromatic landscape card featuring a reflection tree design with watercolour washes and sparkle accents. Using light and dark inks, you'll build depth through layered stamping to create a serene tree reflected in water. Soft colour gradients in the background and sparkle pen details complete this elegant, peaceful scene.

CONSIGLI DALLA PUNTATA

- You can stamp the tree upside down and still get away with it as the reflection isn't meant to be sterile.
- The hybrid ink works with watercolours and alcohol markers without needing to change your ink pad.
- Leave the water area white to create contrast and allow the reflection to show through clearly.
