

Shaker card rotonda con inserto per soldi

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT SHOW 10TH MAR 23 - 10 MARZO 2023

IL PROGETTO

Make a delightful circular shaker card decorated with white daisies and greenery on natural kraft card. This guide demonstrates how to create a four-inch circular shaker window without specialist dies, and includes a hidden pocket perfect for inserting gift cards or money. The finished piece features sparkling sequins within the shaker element and a 'Happy Birthday' sentiment surrounded by a wreath of flowers.

CONSIGLI DALLA PUNTATA

- The circular shaker has teeth all the way around, so applying tape to each individual tooth is time-consuming; instead, apply one strip of tape to the back of the circle and stick it down.
- You can create a circular design without a die by using a pencil to trace around the window.
