

Biglietto timbrato a tre colori con tecnica a strati

UN PROGETTO DALLA NOSTRA DIRETTA - FUNDRAISING EVENT - 8 MARZO 2023

IL PROGETTO FINITO

IL PROGETTO

Create a vibrant greeting card using a three-colour stamping technique with rainbow-blended ink pads. The design features layered floral and garden motifs stamped in overlapping colours to create depth and visual interest. This project demonstrates how strategic layering of just three colours can produce a rich, multi-dimensional effect on your handmade cards.

PASSO PASSO

1

PASSAGGIO 1 DI 7

Select three ink colours from your collection that will work well together for your stamped design. Consider choosing colours that complement each other, such as shades that blend harmoniously or create an attractive contrast.

2

PASSAGGIO 2 DI 7

Stamp your first colour onto white card stock. Use an ink pad in your chosen colour and press the stamp firmly onto the card to create a clear impression.

3

PASSAGGIO 3 DI 7

Apply your second colour ink over the first stamped image, allowing the colours to overlap and blend. Use a light touch to create a layered effect where the two colours interact.

5

PASSAGGIO 5 DI 7

Using one of your three chosen colours, add shadows or highlights to your stamped image to enhance dimension and depth. Apply the ink with a blending tool or sponge to create subtle shading effects.

7

PASSAGGIO 7 DI 7

Add a sentiment or greeting from your stamp set to complete the card, using one of your three ink colours. Position the sentiment in a clear area of your design and stamp firmly for a crisp impression.

CONSIGLI DALLA PUNTATA

- When you overlay colours, they create the visual appearance of additional colours, so plan your layering carefully.
- Using foam tape under elements creates dimension and makes the card more visually interesting.
