UN PROGETTO DALLA NOSTRA DIRETTA - MONDAY MADNESS - 6 MARZO 2023

IL PROGETTO

Create a striking grungy card featuring a cool gamer character with purple hair and sunglasses set against a distressed striped background. This project combines embossed paper strips in vibrant colours with stamped sentiment boxes, using embossing powder to add sparkle and dimension. The technique demonstrates how to layer inked strips and continue an embossing pattern across multiple pieces for a cohesive, textured urban-style effect.

CONSIGLI DALLA PUNTATA

- Mark embossing folders with tape on the top to identify which side creates the raised emboss.
- Textured cardstock helps hide any cracks that may occur during embossing.
- Use low-tack masking tape when securing strips together so it doesn't damage the card when removed.
