

Spotlight Heart Card with Embossed Girls

UN PROGETTO DALLA NOSTRA DIRETTA - FRIDAY LIVE LAUNCH - 3 MARZO 2023

IL PROGETTO

Create a stunning layered card featuring a three-tier spotlight design with romantic stamped hearts and an elegant heat-embossed silhouette of three girls. The card showcases depth through scattered pink and red heart backgrounds, with the focal image beautifully highlighted in the centre and finished with gold embossing and delicate yellow painted details. This impressive design combines stamping, heat embossing and watercolour techniques for a truly special handmade card.

PASSO PASSO

PASSAGGIO 1 DI 10

Prepare three layers of white card. Secure the middle layer to the base layer using repositionable tape, allowing it to be moved if needed.

PASSAGGIO 5 DI 10

Heat emboss the stamped girls image using gold embossing powder. Apply the powder generously over the stamped design to create a halo effect around the figures.

PASSAGGIO 6 DI 10

If you miss any detail when stamping, use the halo left by the embossing powder to realign the stamp and re-stamp the missing part to complete the image.

CONSIGLI DALLA PUNTATA

- Use a black mat when heat embossing to see the halo created by the powder, which helps you realign if you miss stamping any part.
- Layer the embossing powder generously to create a clear halo around your stamped image.
- You can leave a white halo around coloured designs for a striking effect.
