Cuori colorati con la tecnica Black Magic

UN PROGETTO DALLA NOSTRA DIRETTA - FRIDAY LIVE LAUNCH - 3 MARZO 2023

IL PROGETTO FINITO

IL PROGETTO

Create a striking card featuring white-stamped heart designs on black card, beautifully enhanced with vibrant coloured pencils. The white ink creates a resist effect that allows the colours to pop whilst leaving a subtle white halo around each heart motif. This simple but effective technique produces eye-catching results perfect for Valentine's cards or any celebration of love.

- Make sure your white ink is absolutely dry before colouring over it with pencils.
