

Biglietto a strati con sfondo dinosauri e frase

UN PROGETTO DALLA NOSTRA DIRETTA - MONDAY MADNESS - 20 FEBBRAIO 2023

IL PROGETTO

Create a striking three-dimensional card featuring a layered dinosaur background stamp, hand-painted with watercolours to show depth and perspective. The design showcases trees, plants and rocks in soft greens, browns and peachy tones, with an inspirational sentiment reading 'Be Yourself and You Can Be Anything' displayed in the sky area. This project uses watercolour painting and stamping techniques to build up a beautiful natural scene with dimensional interest.

1

PASSAGGIO 1 DI 13

CONSIGLI DALLA PUNTATA

- You don't need to use the dinosaur characters with this stamp; it works beautifully as a background scene on its own.
- Use a big brush for watercolour painting as it's easier to flood colour and then pick out detail in different shades.
- Don't worry about staying within the lines when painting; a looser approach gives better results.
