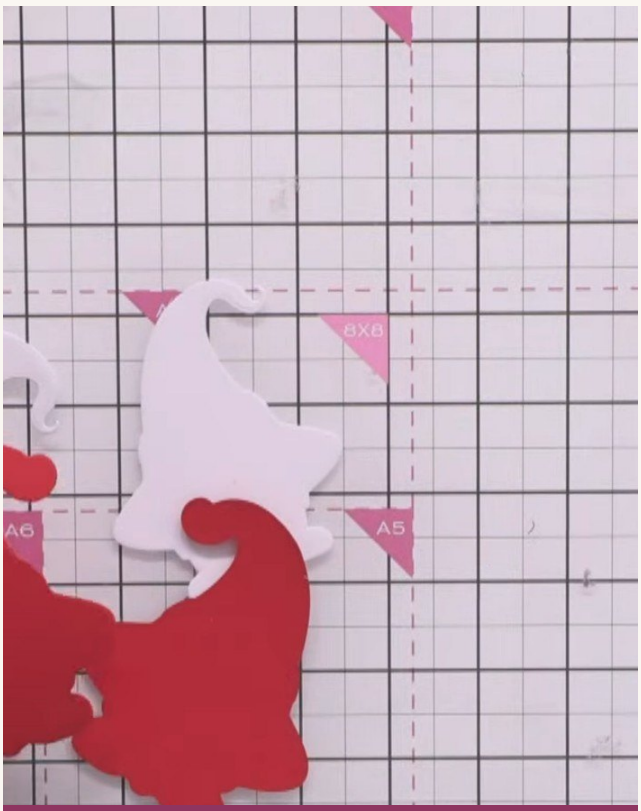
UN PROGETTO DALLA NOSTRA DIRETTA - THE THURSDAY DROP - 10 SETTEMBRE 2026



IL PROGETTO FINITO

## IL PROGETTO

Create a delightful freestanding gnome card using layering dies in festive Christmas colours of red and green. This charming project demonstrates how Halloween-themed dies can be cleverly repurposed for the festive season. The technique involves die-cutting multiple layers and assembling them to create a dimensional, self-standing card perfect for Christmas greetings.
