

Oriental Fan Valentine's Card with Stencilled Background and Watercoloured Character

UN PROGETTO DALLA NOSTRA DIRETTA - MONDAY MADNESS - 6 FEBBRAIO 2023

IL PROGETTO

Create a charming Valentine's card featuring an oriental-dressed character holding a glittery red heart, set against a stencilled fan pattern background in soft pinks and coral tones. The character is beautifully watercoloured in purples and blues, with the glitter heart adding dimensional depth and sparkle. This romantic design combines Eastern elegance with traditional Valentine's themes using stencilling, watercolouring and dimensional embellishments.

CONSIGLI DALLA PUNTATA

- Use a heart-shaped mask to protect the area where your character will hold the heart, creating a clean focal point.
- You can colour the character with watercolours, pencil crayons or felt markers depending on your preference and skill level.
- If watercolour lines look too harsh, use a wet brush to blend and soften the edges.
