PASSO PASSO

PASSAGGIO 1 DI 6

PASSAGGIO 4 DI 6

Position your honeycomb stencil over the edges of the stamped design. Using a blending brush with minimal magenta ink, lightly blend the stencil pattern over the edges to add texture.

PASSAGGIO 5 DI 6

Use a grey pen or additional ink to soften any harsh lines around the stencilled edges for a seamless blend. Work gently around the leaf motif to create smooth transitions between colours.

CONSIGLI DALLA PUNTATA

- When blending stencil work, use a brush with hardly any ink on it to create a seamless blend that disappears into nothing.
