

## Birthday Celebration Card with Background Stamping

UN PROGETTO DALLA NOSTRA DIRETTA - IMALA COLLECTION 25 - 2 FEBBRAIO 2023

### IL PROGETTO

Create a vibrant birthday celebration card featuring a stylish figure surrounded by colourful presents and floral elements. This project combines background stamping with watercolour techniques to build layers of detail and festive charm. The finished card showcases bold line work accented with splashes of pink, green, yellow and blue for a modern, artistic look.

## PASSO PASSO

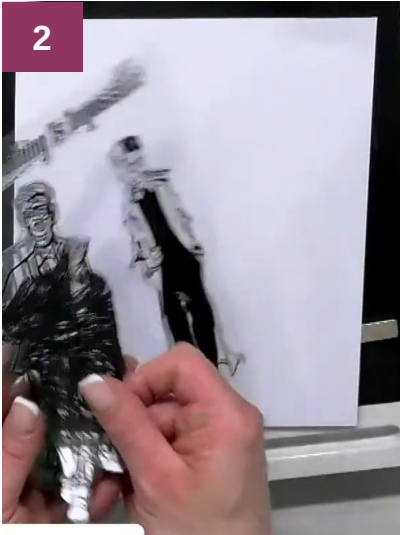

1

### PASSAGGIO 1 DI 6

Stamp the presents design from the Let's Celebrate stamp set onto your white card base using black ink to create a background layer.

2

### PASSAGGIO 2 DI 6

**Stamp the image onto copier paper using black ink.** Apply water to the stamped image to create a watercolour wash background, using the dirty water technique with multiple colour tones for a vibrant effect.

3

### PASSAGGIO 3 DI 6

**Allow the watercolour to blend naturally across the stamped image, creating tonal variation.** Let the colours flow and merge together on the card surface for an organic watercolour effect.

4

### PASSAGGIO 4 DI 6

**Stamp the adventure design or additional elements over the watercoloured background to add layering and depth.** Position the stamp carefully to complement the existing background design.

5

## PASSAGGIO 5 DI 6

**Add the birthday sentiment stamp in bubble font style to create the look of balloons floating above the presents.** Position it in the upper area of your card design.

6

## PASSAGGIO 6 DI 6

**Add subtle colour washes to your stamped image using watercolour paints.** Apply light touches of pink, yellow, and green to the background elements and foliage areas. Allow the colours to blend naturally for a soft, artistic finish.

## CONSIGLI DALLA PUNTATA

- Dirty water creates beautiful tonal work and transparency in watercolour backgrounds
- The sketchy element of the presents stamp gives freedom to really focus on the sentiment
