

Biglietto ad acquerello con foglie Lamination

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT SHOW 24TH JAN - 24 GENNAIO 2023

IL PROGETTO

Create a beautiful watercolour-effect card featuring delicate autumn leaves in pink and purple tones. Using a two-part lamination leaf stamp system, you'll build up layers of colour with the solid stamp creating a soft watercolour wash base, whilst the detailed overlay adds intricate linework for a sophisticated, artistic finish. This elegant technique produces stunning results perfect for special occasion cards.

CONSIGLI DALLA PUNTATA

- The solid and detailed elements can be used separately if you prefer just one layer.
- White embossing on gold card creates a snowflake-like effect, making these stamps versatile for Christmas designs.
- Lamination stamps are very forgiving—slight misalignment between layers adds to the artistic effect.
