

Interactive Acetate Window Card with Stamped Bunnies

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE TOGETHER CLUB - 17 GENNAIO 2023

IL PROGETTO

Create a charming interactive card featuring adorable stamped bunnies visible through a clear acetate window. This elegant design combines soft watercoloured bunnies with vintage-style patterned papers in muted greys and pinks, layered to create a beautiful dimensional effect. The project uses simple stamping, watercolouring and layering techniques to achieve a professional finish.
