

Heat Embossed Floral Card with WOW Powder

UN PROGETTO DALLA NOSTRA DIRETTA - MY PODCAST - 9 MARZO 2026

IL PROGETTO FINITO

IL PROGETTO

Create a striking black card featuring heat-embossed floral designs using WOW embossing powders. This project demonstrates the heat embossing technique with multiple powder colours to create dimensional, sparkly details on card stock. The finished piece showcases elegant floral motifs with a professional, polished appearance perfect for special occasions.

PASSO PASSO

1

PASSAGGIO 1 DI 9

Prepare your black card stock by wiping it with an anti-static bag to remove moisture, fingerprints and dust.

[GUARDA QUESTO PASSAGGIO - 40:45](#)

2

PASSAGGIO 2 DI 9

Tap your floral stamp face-down onto a sticky ink pad (such as VersaMark) to coat all the stamp details evenly with the clear embossing ink.

[GUARDA QUESTO PASSAGGIO - 41:15](#)

3

PASSAGGIO 3 DI 9

Press the inked stamp firmly onto the black card stock, pushing down evenly to transfer the sticky ink impression. Ensure good contact across the entire stamp surface.

[GUARDA QUESTO PASSAGGIO - 42:15](#)

4

PASSAGGIO 4 DI 9

Immediately pour your chosen WOW embossing powder over the stamped image to cover the entire floral arch design. Ensure all the embossing ink is completely covered with powder.

[GUARDA QUESTO PASSAGGIO - 45:00](#)

5

PASSAGGIO 5 DI 9

Gently tap and shuffle the card to distribute the embossing powder evenly across the stamped floral frame design, ensuring all the stamped areas are well covered.

[GUARDA QUESTO PASSAGGIO - 45:15](#)

6

PASSAGGIO 6 DI 9

Tap the card gently with an anti-static bag to remove excess embossing powder. Push the powder away from areas without sticky ink to ensure crisp, clean edges on your design.

[GUARDA QUESTO PASSAGGIO - 45:30](#)

7

PASSAGGIO 7 DI 9

Turn on your heat embossing gun and allow it to reach full temperature before applying heat to the embossing powder.

[GUARDA QUESTO PASSAGGIO - 46:15](#)

8

PASSAGGIO 8 DI 9

Hold the heat gun a short distance from the card and move it across the embossed floral arch. Continue heating until the white embossing powder melts and becomes glossy, creating a raised, shiny finish on the grey cardstock.

[GUARDA QUESTO PASSAGGIO - 57:30](#)

9

PASSAGGIO 9 DI 9

Allow the card to cool completely before handling to ensure the heat embossed design sets permanently.

CONSIGLI DALLA PUNTATA

- Get your heat gun hot as possible first; less time on the card means less cockle, lumps and bumps in the finished piece.
- Use an anti-static bag before stamping to prepare your card stock and improve the crispness of your embossing.
- Once powder is on the stamped image, it does not matter when you heat set it—you can leave it sitting and heat set it later.
