

3D Chocolate Train Gift Box with Carriages

UN PROGETTO DALLA NOSTRA DIRETTA - MONDAY MADNESS - 5 DICEMBRE 2022

IL PROGETTO FINITO

IL PROGETTO

Create a charming 3D chocolate train gift box complete with carriages, perfect for festive gifting. This delightful project features a decorative locomotive and multiple carriages decorated with festive patterns including polka dots and gingham checks, designed to hold chocolates and small treats. The main techniques include die-cutting, paper assembly, and dimensional construction to create a freestanding display piece.

PASSO PASSO

PASSAGGIO 1 DI 16

Cut two pieces from black card using the large train die to create the front and back of your train engine.

11

PASSAGGIO 11 DI 16

Apply red liner tape to the edges of the black carriage base pieces. Trim off any excess tape with scissors.

PASSAGGIO 12 DI 16

Paper-piece the front of the green train by gluing coloured and patterned card pieces onto the black die-cut train shape. Add details such as wheels, door panels, and decorative elements using coordinating papers.

[GUARDA QUESTO PASSAGGIO - 35:15](#)

PASSAGGIO 13 DI 16

Paper-piece the front of each carriage in the same way, using coordinating colours and patterns. The train features green striped patterns whilst the carriages use red polka dot designs.

CONSIGLI DALLA PUNTATA

- Use black card as a base as it hides all the joins and gluing points nicely.
- Red liner tape is very sticky and holds string securely in place.
- You can personalise the project by placing photographs or names on each carriage, or use it as an advent calendar with 24 carriages.
