UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT - 29 NOVEMBRE 2022

IL PROGETTO FINITO

IL PROGETTO

Create an elegant layered card featuring a delicate thistle design from the Hope collection. This sophisticated project uses three layers of white cardstock mounted on textured lilac card, with the botanical stamp positioned at a dynamic angle across the layers. The design achieves beautiful depth through careful alignment and dimensional foam pad layering.
