PASSO PASSO

1

PASSAGGIO 1 DI 14

Wipe your rubber stamp with an anti-static bag to remove any dust or moisture before inking. This prevents white specks appearing in your stamped image.

2

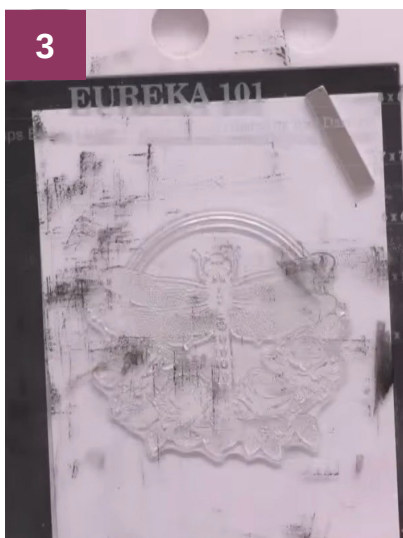

PASSAGGIO 2 DI 14

Ink up the large dragonfly stamp thoroughly with sticky embossing ink, stamping it twice onto white cardstock to ensure all the detail is picked up clearly.

3

PASSAGGIO 3 DI 14

Pour the metallic embossing powder (Argent from the WOW Powder Trio) generously over the wet stamped dragonfly image, ensuring it is completely coated. Tap off the excess powder.

PASSAGGIO 4 DI 14

Tap off the excess embossing powder back into the pot. Heat set the powder using a heat gun, ensuring the gun is hot before applying it to the card to melt and set the embossing powder.

PASSAGGIO 5 DI 14

Once the embossed dragonfly has cooled, use the coordinating die to cut around the stamped image, creating a shaped card element.

PASSAGGIO 8 DI 14

11

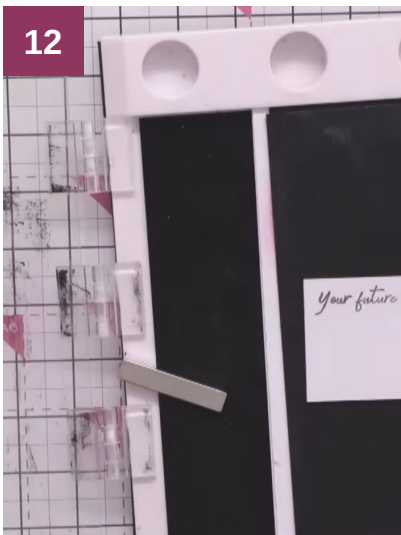

PASSAGGIO 11 DI 14

Adhere the embossed dragonfly die-cut on top of your card using foam pads to create dimension. Position it centrally over the stencilled heart background.

12

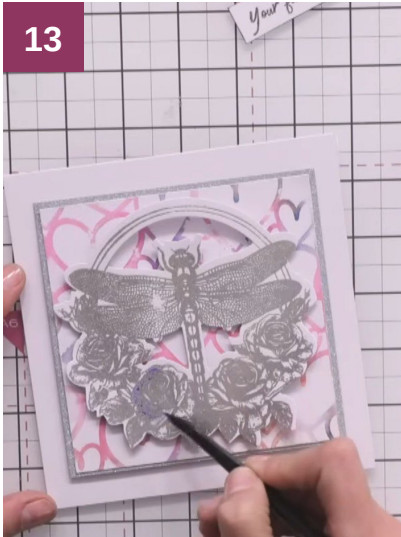

PASSAGGIO 12 DI 14

Stamp a sentiment from the collection onto a white cardstock strip and trim it neatly. Edge the strip with ink using an ink pad to add definition.

13

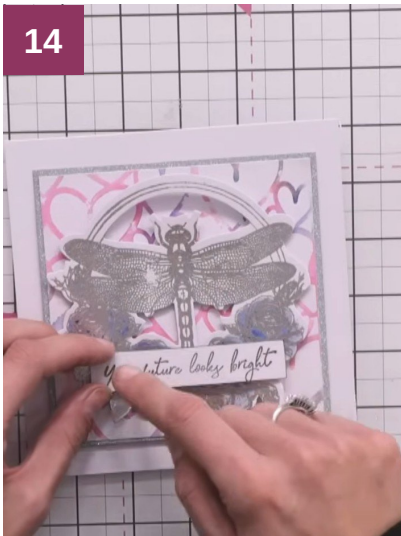

PASSAGGIO 13 DI 14

Use a watercolour brush with teal ink to add subtle colour washes to the flowers and wings of the dragonfly. The embossing powder will resist the ink, creating a beautiful contrast. Edge the design gently to build up the colour gradually.

PASSAGGIO 14 DI 14

Mount the sentiment strip onto the card using small foam pads, positioning it centrally below the dragonfly to balance the composition.
