Embossed Rose with Ink-Spot Technique Card

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE AND CRAFT - 16 NOVEMBRE 2022

IL PROGETTO FINITO

IL PROGETTO

Create an elegant card featuring beautifully embossed roses with a sophisticated ink-spot technique. The design showcases turquoise and white roses with grey foliage on a white card base with a dark blue glitter frame. This intermediate project uses selective inking in the embossing folder recesses to achieve crisp, detailed dimensional florals.
