UN PROGETTO DALLA NOSTRA DIRETTA - FRIDAY LAUNCH - 11 NOVEMBRE 2022

### IL PROGETTO

Create a charming white top-folding note card featuring a beautiful floral design with an inspirational sentiment. Using fussy-cut paper elements from the Funky Fossil collection, you'll layer three decorative pieces with foam pads to create a dimensional 'skirt' effect. The card is finished with a purple stamped sentiment reading 'Don't follow your dreams CATCH them' and subtle teal spray accents for added interest.

## CONSIGLI DALLA PUNTATA

- You can include some of the navy background when fussy cutting if you like the colour.
- Leaving the bottom edges of layered elements free creates a lovely skirt effect.
- Use offcuts from your scrap box to create foam pads if you don't have commercial ones available.
