

Acetate Window Card with Stamped Bouquet and Nested Frame

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE TOGETHER CLUB - 7 NOVEMBRE 2022

IL PROGETTO FINITO

IL PROGETTO

Create this elegant square card featuring a stamped floral bouquet of pink roses viewed through an acetate window. The design is framed by nested die-cut shapes in teal mirror board, with a 'THANK YOU' sentiment below. This clean and simple design uses clever construction techniques to hide all internal workings for a polished finish on both front and back.

PASSAGGIO 4 DI 16

Use the same nesting dies to cut two frames from teal mirror board. Select the larger die and the next size down to create a stitched frame effect with two nested layers.

12

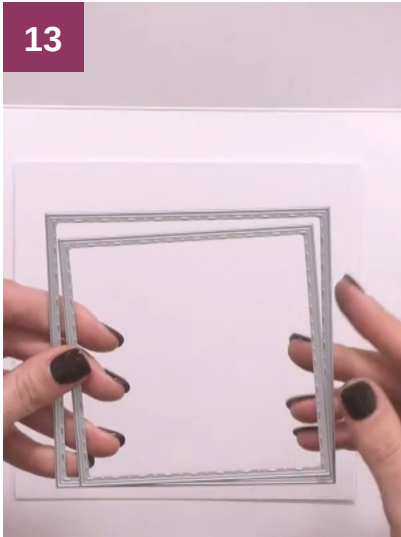

PASSAGGIO 12 DI 16

Apply glue to the back of the coloured bouquet piece and attach it to the front of the card. Position it carefully so the bouquet design shows through the acetate window in the turquoise frame.

13

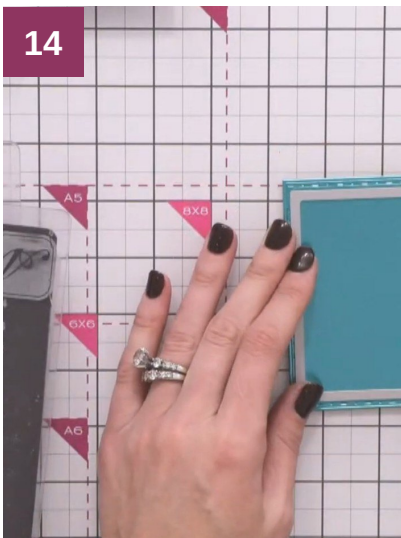

PASSAGGIO 13 DI 16

Cut a smaller aperture from a 6 x 6 inch piece of white cardstock using the next size down nesting die. This creates a nested frame effect with a smaller window opening.

14

PASSAGGIO 14 DI 16

Die-cut another frame from teal mirror board using the next size down from the nesting die set. This will form the inside back layer of your card.

15

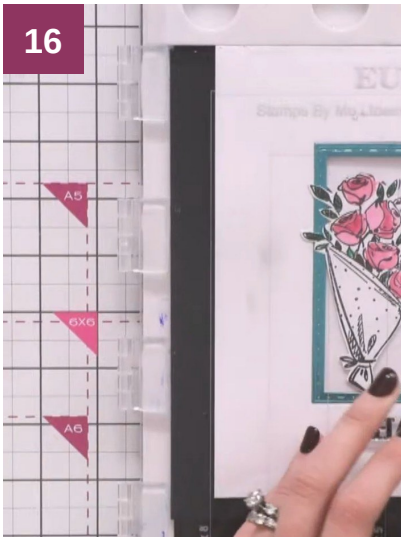

PASSAGGIO 15 DI 16

Adhere the smaller teal frame onto the 6x6 inch teal cardstock piece to create a layered backing panel for your card.

16

PASSAGGIO 16 DI 16

Stamp a sentiment such as 'THANK YOU' onto white cardstock using black ink. Position the sentiment on the card front below the acetate window frame.

CONSIGLI DALLA PUNTATA

- Tape two pieces of cardstock together before stamping and cutting so you get two identical pieces for front and back.
- Keep the stamped bouquet pieces separate until final assembly—do not glue them together early, as this will show ugly glue lines through the acetate window.
- Before gluing the back panel in place, you can thread gold twine or string through the card so it twists and moves when the card is opened.
