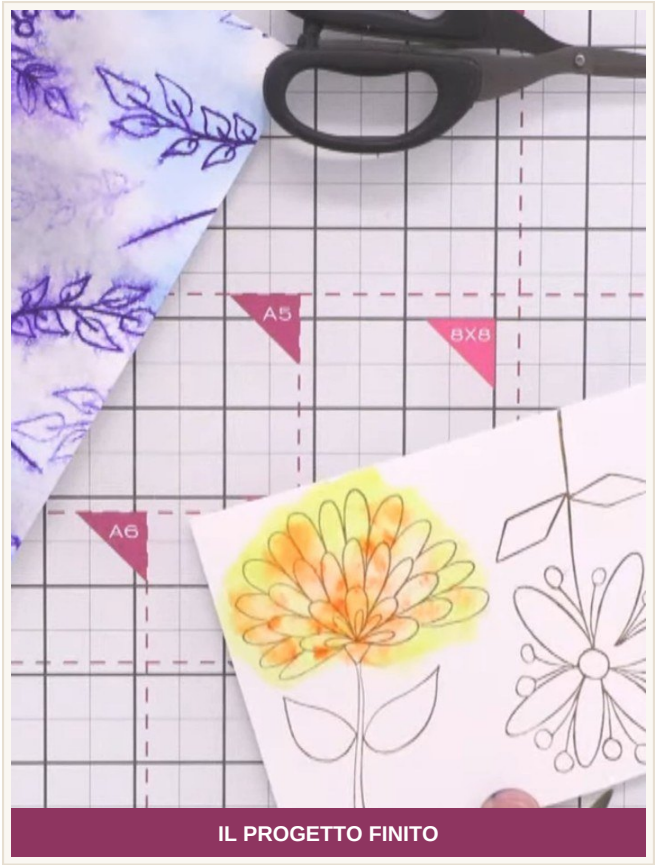
Fiori Petal Power colorati ad acquerello

UN PROGETTO DALLA NOSTRA DIRETTA - BRAND SHOWCASE - 4 NOVEMBRE 2022



IL PROGETTO FINITO

IL PROGETTO

Create beautiful floral artwork by stamping a delicate petal power design and bringing it to life with vibrant watercolour paints in purple, pink and blue tones. Carefully cut out the coloured flowers to use as elegant embellishments for decoupage, layering on cards, or as standalone decorative elements. This technique combines traditional stamping with the soft, artistic effect of watercolour painting.
