UN PROGETTO DALLA NOSTRA DIRETTA - CREATE TOGETHER CLUB - 3 NOVEMBRE 2022

IL PROGETTO FINITO

IL PROGETTO

Create an artistic watercolour background card with beautiful pink and purple washes, complemented by loose drips and splats. This expressive technique uses watercolour paints to build up soft colour gradients, finished with gold pen accents forming a cross design. The result is a stunning contemporary background perfect for layering stamped sentiments or images.

CONSIGLI DALLA PUNTATA

- Don't over-saturate normal cardstock with water or it will buckle.
- Keep working with your card right to the very end and don't give up if it looks like a hot mess.
- You can use ink pads instead of watercolours if you don't have watercolours to hand.
