IL PROGETTO FINITO

IL PROGETTO

Create a striking card featuring a bold black-on-black embossed design enhanced with vibrant spray inks. The Stay Fancy stamp is heat embossed onto black cardstock, then brought to life with colourful ink sprays creating a dramatic, artistic portrait effect. This technique combines the elegance of embossing with the spontaneity of spray inks for a truly eye-catching finish.

CONSIGLI DALLA PUNTATA

- Use 3D embossing powders for a thicker, more raised dimension.
- Spray inks absorb into the embossing, creating beautiful blended effects.
- The embossed texture helps the spray inks sit and blend rather than just sitting on the surface.
