UN PROGETTO DALLA NOSTRA DIRETTA - MY PODCAST - 2 FEBBRAIO 2026

IL PROGETTO

Create a practical 4 by 4 by 4 inch gift box from a single 12 by 12 inch sheet of decorative card stock featuring an elegant marbled design in soft purples, pinks and golds. Using the Stamps by Me Box and Envelope Maker scoring board, you'll construct a sturdy, glue-free box with an ingenious interlocking closure system. This versatile technique allows you to make perfectly sized boxes for gifts, storage or presentation.
