

Wintry Layered Country View Scene Card

UN PROGETTO DALLA NOSTRA DIRETTA - FUNKY TUESDAY - 5 OTTOBRE 2022

IL PROGETTO

Create an elegant A5 card featuring a die-cut country landscape with layered trees and rolling fields in white and blue patterned papers. A charming red house sits atop the hill with embossed details and a star accent, whilst the 'Home' sentiment with a red heart adds a warm festive touch. This project uses die-cutting, layering and embossing techniques to build a beautiful wintry scene perfect for Christmas.

**PASSAGGIO 4 DI 12**

PASSAGGIO 11 DI 12

Die-cut the word 'Home' from red cardstock. Carefully cut out the integral heart from the 'o' and layer it back in to create a two-tone effect on your winter scene.

PASSAGGIO 12 DI 12

Adhere the white 'Home' sentiment with the red heart accent to the centre top of the card. Add decorative white tree and house die-cuts to complete the wintry country scene.

CONSIGLI DALLA PUNTATA

- When paper piecing with patterned papers, let the pattern do the work without additional embellishment.
- You can snip away parts of the die-cut frame if you prefer the scene elements to stand alone without the border.
- Individual trees or elements from the country view die can be separated and used as additional embellishments elsewhere on the card.
