

Game Over Background Strip Card with Crash Character

UN PROGETTO DALLA NOSTRA DIRETTA - MONDAY MADNESS - 3 OTTOBRE 2022

IL PROGETTO

Create a striking gaming-themed birthday card featuring three horizontal strips in vibrant green, yellow and blue, showcasing the Game Over background stamps. The Crash character is heat embossed and mounted as the centrepiece, with decorative sentiment strips separating each coloured section for a bold, multi-dimensional design. This dynamic card combines stamping, embossing and layering techniques to create a fun, contemporary greeting perfect for gamers.

CONSIGLI DALLA PUNTATA

- The background stamps are designed to extend and line up, so you can continue the design left, right, up and down to make larger cards.
- Using foam pads on the sentiment but gluing the character flat creates visual depth and hierarchy.
- Breaking up join lines with sentiment strips or decorative elements makes the card look more intentional and polished.
