IL PROGETTO FINITO

IL PROGETTO

Create a charming autumn-themed card featuring a patchwork frame of coordinating patterned papers in warm oranges, yellows and browns. The design showcases a hand-coloured wreath stamp with the word 'AUTUMN' at its centre, mounted on an acetate window that reveals a stencilled background. This layered project combines stamping, die-cutting and paper piecing techniques to create a dimensional greeting card perfect for the autumn season.

CONSIGLI DALLA PUNTATA

- Using a paper pad ensures all patterns and colours coordinate beautifully together without clashing.
- Inking the edges of punched squares gives a more forgiving finish if card stock shows through between pieces.
- The acetate window is optional but provides stability for posted cards and creates a perfect shaker window if desired.
