

Sparkly Block-Stamped Background Card with Layered Images

UN PROGETTO DALLA NOSTRA DIRETTA - CREATE TOGETHER CLUB - 20 GIUGNO 2022

IL PROGETTO

Create a vibrant 8x8 card using colourful ink pads and acrylic blocks to build a multi-coloured sparkly background. Layer stamped images of a woman with flowing hair onto the textured background, then add decorative elements like positionable twine and hand-drawn frames to create a striking focal point.

- Use water if you don't have sparkly spray—the technique works equally well with either.
- Think beyond squares: use lids of everyday items like Vaseline jars or glitter pots to create circular or alternative shapes.
- Consider using grey and brown tones instead of bright colours to create a vintage or monochromatic card effect.
