IL PROGETTO FINITO

IL PROGETTO

Create a stunning watercolour card featuring a large diamond-shaped winter village scene. The design uses a beautiful blue and white colour palette with a soft, atmospheric effect achieved by spraying water over stamped ink to create a dreamy bleed. The finished piece is mounted on white card with an aperture frame to showcase the delicate watercolour technique.

CONSIGLI DALLA PUNTATA

- Use watercolour card for better colour movement and bleed effects.
- Do not move the paper after stamping; let the water do the work.
- You can use the same colour to re-stamp for a distressed look, or switch to black for more contrast.
