

Embossed Stag with White Ink Highlight Card

UN PROGETTO DALLA NOSTRA DIRETTA - ONE DAY SPECIAL - 7 NOVEMBRE 2025

IL PROGETTO

Create a striking winter card featuring a majestic stag embossed against a textured background with cascading pine trees. The design uses warm autumnal tones of orange and brown alongside cool greys, with white pigment ink highlights bringing the trees forward for a layered, dimensional effect. This elegant card combines embossing and selective inking techniques to create a beautiful framed scene.

CONSIGLI DALLA PUNTATA

- The white pigment ink brings lost detail back to the foreground after embossing.
- If you get a line or smudge with the white ink, blend over it with a blending brush.
- Do not wipe glitter while the glue is wet, as it will smudge; wait until dry before brushing off excess.
