PASSAGGIO 3 DI 10

Create a pocket by applying adhesive to two sides of the pre-cut decorative paper piece. Leave the hinge edge free so it can be attached to the album binding later.

CONSIGLI DALLA PUNTATA

- You don't have to make these into albums—use them smartly as cards with pockets, gift wallets, or bookmarks instead.
- Don't worry about the white backs of the pages; you can stick decorative pieces on the reverse side to make them look double-sided if desired.
- Plan and prep your design first so you know where your pieces are going and can hide your hinges properly.
