

Biglietto con gnomi e sfondo a righe di carta

UN PROGETTO DALLA NOSTRA DIRETTA - ONE DAY SPECIAL - 10 OTTOBRE 2025

IL PROGETTO

Create a charming Christmas card featuring three adorable gnome characters arranged vertically on a striped background. The design combines soft blue and purple tones with glittery accents, using layered paper strips to create a dimensional striped effect. The main techniques include paper layering, die-cutting character elements, and adding a festive sentiment to complete this whimsical holiday greeting.

CONSIGLI DALLA PUNTATA

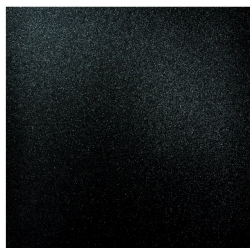

- Use off-cuts from your paper stash to create the striped background effect.
- Layering paper strips over glitter cardstock adds texture and visual interest without needing additional embellishments.
- Foam tape lifts the character away from the background to create a 3D effect.
