IL PROGETTO

Create a vibrant freehand painted card using confetti ink in multiple colours to build a leaf and floral background. The metallic paints deliver rich, creamy coverage on black or white card, creating a stunning multi-coloured effect with added white gel pen highlights and sparkle embellishments.

5**PASSAGGIO 5 DI 10**

Allow the water to evaporate between colour changes to see the true metallic finish emerge.

GUARDA QUESTO PASSAGGIO - 24:00

6**PASSAGGIO 6 DI 10**

Switch to a smaller brush and add clustered dots of confetti ink in groups of three to fill empty spaces.

CONSIGLI DALLA PUNTATA

- If your brush feels too heavy, swap it for a smaller one to maintain better control.
- Work in clusters of three when adding decorative dots for a balanced, professional look.
- You can use your own metallic paints at home if you don't have confetti ink—just add a tiny amount to your brush tip.
