

Shaped Card with Stencilled Background and Character

UN PROGETTO DALLA NOSTRA DIRETTA - ONE DAY SPECIAL - 10 OTTOBRE 2025

IL PROGETTO

Create a stunning shaped card featuring a festive winter scene with Santa's sleigh and reindeer. Using a waste-free die to create the decorative shaped edge, you'll build up a magical purple and pink background with stencilled candy canes and sparkly details. The finished card combines die-cutting, stencilling and layering techniques to create a dimensional Christmas greeting.

CONSIGLI DALLA PUNTATA

- When creating shaped cards, overhang the die just over the hinge of the card so you don't need an extra panel on the front.
- You can use elements of the stencil around the edges rather than trying to centre it on the card.
- The patterned papers work beautifully with the impressed areas of the shaped die.
