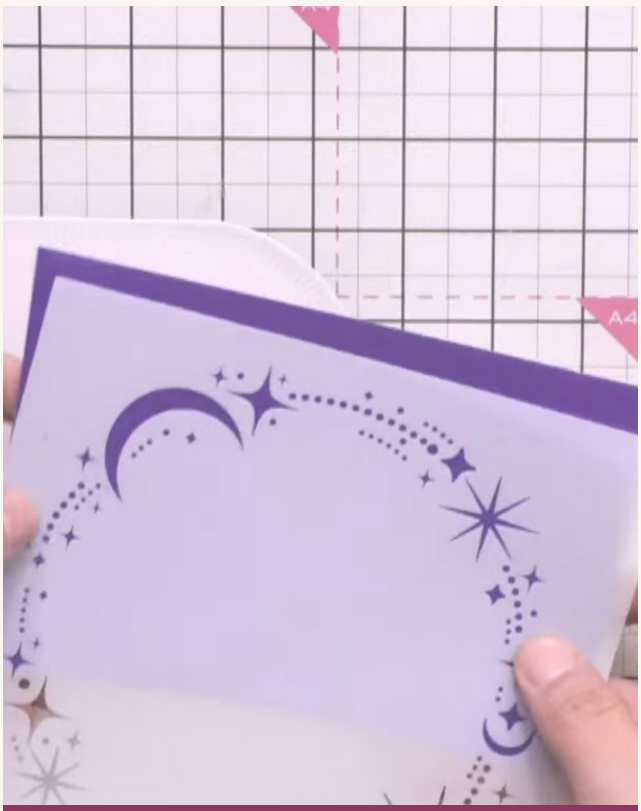
Shaped Card with Stencilled Background and Gnome Character

UN PROGETTO DALLA NOSTRA DIRETTA - ALTRE IDEE - 10 OTTOBRE 2025



IL PROGETTO FINITO

IL PROGETTO

Create a festive shaped card featuring a whimsical gnome scene with a magical purple door and sparkly stencilled background. This project combines waist-free die cutting to create an unusual card silhouette, dimensional stencilling techniques for texture and shimmer, and charming gnome characters for a delightful Christmas design. The finished card showcases purple and pastel tones with glittery accents and a winter wonderland theme.

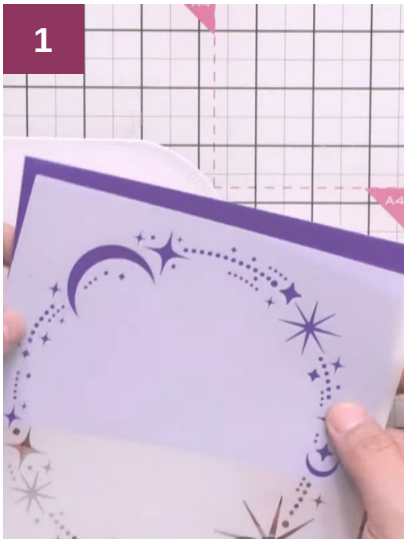
PASSO PASSO



PASSAGGIO 1 DI 8

Take a white card blank with a score line down the centre. Position the card so the fold is at the top, then place it underneath the decorative stencilled panel to create a shaped card base.

CONSIGLI DALLA PUNTATA

- You can overhang the die just slightly over the card hinge to create a shaped card without needing a second panel on top.
- Stencils can be used around the edges of cards rather than covering the whole surface.
