

Shaped Card with Stencilled Background and Character Topper

UN PROGETTO DALLA NOSTRA DIRETTA - ALTRE IDEE - 10 OTTOBRE 2025

IL PROGETTO

Create a festive shaped card featuring a purple-framed window scene with Santa's sleigh and reindeer characters. The card has a decorative stencilled border with stars and sparkles in purple tones, and includes colourful gnome character toppers positioned around the main scene. This project uses waste-free dies to create the shaped card base and combines stencilling techniques with layered die-cut elements for a charming Christmas design.
