

Clean and Simple White Card with Embossed Village

UN PROGETTO DALLA NOSTRA DIRETTA - HSN PRODUCT INSPIRATION - 1 SETTEMBRE 2026

IL PROGETTO

Create an elegant minimalist Christmas card featuring a winter village scene. This clean and simple design uses white embossing on white card stock to create a subtle, sophisticated effect, with the village church and snow-covered trees enhanced by delicate glitter accents on the roofs. The monochromatic approach with a red border creates a striking contemporary festive card.
