

Oval Floating Window Card with Fairy Detail

UN PROGETTO DALLA NOSTRA DIRETTA - ONE DAY SPECIAL - 3 OTTOBRE 2025

IL PROGETTO

Create an elegant oval floating window card featuring a delicate fairy detail. This layered design uses nested oval dies to create a dimensional frame effect, with the central image appearing to float on acetate or vellum. The soft pink and white colour scheme is enhanced with decorative embellishments that add depth and visual interest to this enchanting handmade card.

PASSO PASSO

1

PASSAGGIO 1 DI 8

Select the largest oval die from your die set. Cut it from pink cardstock to create the outer frame for your floating window card.

2

PASSAGGIO 2 DI 8

Using the second-size oval die from the Classic Oval die set, cut an oval from white cardstock. This will be your middle layer for the floating window.

3

PASSAGGIO 3 DI 8

Cut the third-size oval from the die set using acetate or vellum to create a transparent window effect. This will form the see-through panel for your floating window card.

PASSAGGIO 4 DI 8

Layer the acetate or vellum between the two cardstock ovals using adhesive foam pads. Position the acetate sheet over the grey oval frame, then place the white oval piece on top to create a sandwich effect.

CONSIGLI DALLA PUNTATA

- The detail on the oval dies is embossed on both the exterior and the interior cutout, giving you two decorated elements from one die.
- Using acetate or vellum behind the window creates the illusion that elements are floating in fresh air.
- You can decorate the floating centre element with additional details like holly, berries or small baubles.
