Interactive Fold-Out Card with Hinged Door

UN PROGETTO DALLA NOSTRA DIRETTA - MY PODCAST - 11 AGOSTO 2025

IL PROGETTO FINITO

IL PROGETTO

Create an elegant interactive greeting card featuring a hinged fold-out door on the front. The card showcases a delicate pink watercolour floral design and opens to reveal a hidden scene or message inside. This project uses pre-cut album pieces adapted for card-making, with techniques including hinge construction and layered paper assembly.

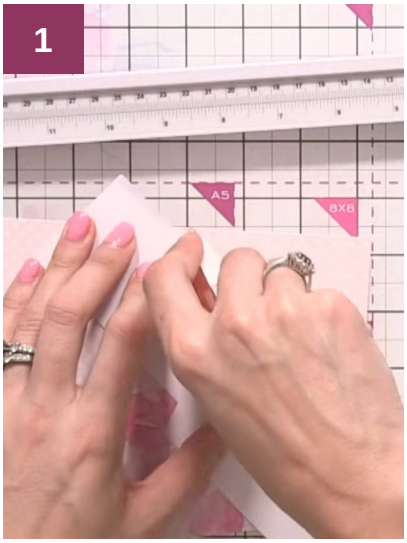
PASSO PASSO

1



PASSAGGIO 1 DI 6

Take a pre-cut hinge piece and score it down the centre to create a fold line. This will allow the piece to fold neatly in half.

2

PASSAGGIO 2 DI 6

Fold the decorated panel in half with the floral design on the outside. Position it at the top of your card base to create a hinged door effect, then secure it in place with adhesive tape.

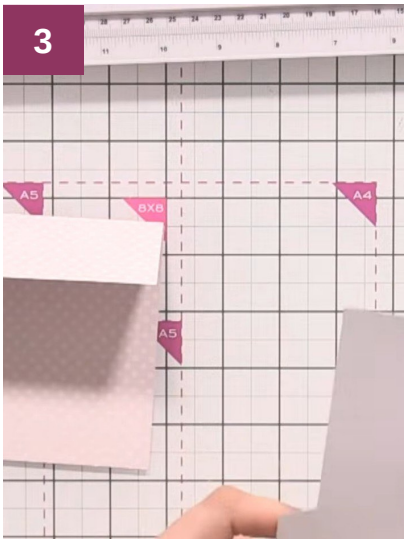
3



PASSAGGIO 3 DI 6

Take a second piece of grey cardstock and position it inside the card to create the fold-out flap. This piece will form the hinge that allows the door to open from the centre.

PASSAGGIO 4 DI 6

Mount your finished card panel onto a card blank using dry clear glue. Add a matted layer beneath the panel to create a border and complete the base of your interactive card.

PASSAGGIO 5 DI 6

Decorate the front of the card around the hinged door area. Add pink floral embellishments and sentiments to create an attractive design. Smooth down all elements to ensure they are securely attached.

CONSIGLI DALLA PUNTATA

- Use the right size card blank to accommodate the interactive fold-out element.
- Hide the hinges behind your mat layer for a neater finish.
