3

PASSAGGIO 3 DI 14

Trim small slivers from the folded edges of the vellum panels to prevent bulking when they fold over one another.

PASSAGGIO 4 DI 14

Arrange the floral patterned panels and plain pink panels in a stacked formation, creating layered pockets at different depths.

Thread white ribbon through the eyelets to connect the tags and panels together.

PASSAGGIO 5 DI 14

Use black ink to edge the pocket openings on the floral patterned piece. This will define the openings and prevent them from blending into the background.

PASSAGGIO 6 DI 14

Use a tape pen to apply adhesive to the back of the decorative floral paper strips. Position and press them into the pockets as inserts, ensuring they sit neatly within each pocket opening.

PASSAGGIO 9 DI 14

Score the vellum at the bottom edge to create a flap. Cut a backing piece from patterned paper to fit the scored section.

10

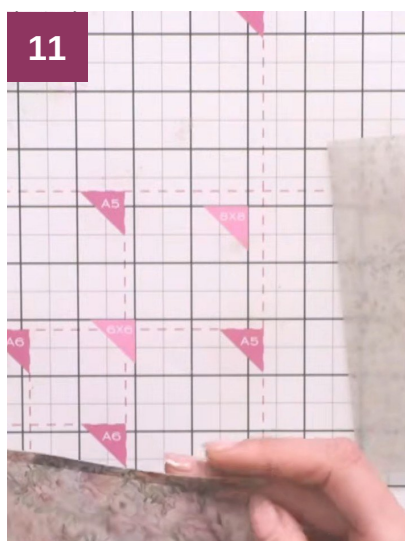

PASSAGGIO 10 DI 14

Use scissors to trim away the bulk from the bottom corners of the vellum backing. This reduces thickness at the fold for a neater finish.

11

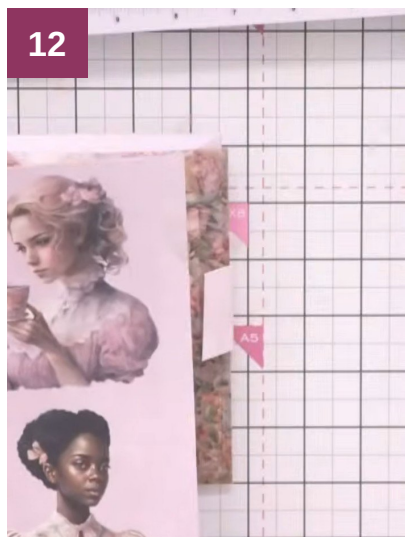

PASSAGGIO 11 DI 14

Attach the vellum backing piece to the scored vellum envelope using the tape pen. Apply the adhesive along the edges to secure the pieces together.

CONSIGLI DALLA PUNTATA

- Use tape pen to glue vellum as it doesn't show through like regular glue.
- Don't use regular glue on vellum as it becomes messy and visible through the transparent material.
- Always measure your insert before sealing the vellum wallet to ensure it slides in and out smoothly.
