PASSO PASSO

PASSAGGIO 1 DI 10

Cut your chosen paper to size using the postage-edge die on your die-cutting machine, ensuring the die fits snugly on your cutting plate.

PASSAGGIO 2 DI 10

Note that the die creates a score line down the centre of the card. This score line will help you fold the card neatly in half.

PASSAGGIO 3 DI 10

Take a piece of contrasting cardstock (such as kraft card) and adhere it to the back of your die-cut postage-edged card piece to create a backing layer.

CONSIGLI DALLA PUNTATA

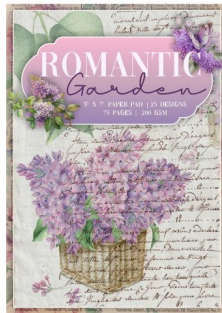

- If your die doesn't fit your smaller machine, use an A4 die-cutting machine for best results.
- Better to cut your closure strip too long and trim it down than too short.
- Use glue rather than tape for a more secure and professional finish on the closure.
