

Biglietto a strati con pannello effetto legno

UN PROGETTO DALLA NOSTRA DIRETTA - MIGHTY MONDAY - 14 APRILE 2025

IL PROGETTO

Create a sophisticated layered card featuring a beautiful floral and bird design with purple blooms and a pink bird surrounded by green foliage. This project uses distressing and layering techniques to build dimension and character. The finished card has a vintage aesthetic with coordinating colours and a polished, professional look.

CONSIGLI DALLA PUNTATA

- Pressing with a gel pen creates indented lines in the paper that look like wood grain detail.
- You can place additional design elements underneath the layered panel for added interest.
- Distressing with ink pads in varying shades creates a more authentic vintage wood appearance.
