Biglietto a strati in vellum con bordi strappati

UN PROGETTO DALLA NOSTRA DIRETTA - IDEAL WORLD - 2 APRILE 2025

IL PROGETTO FINITO

IL PROGETTO

Create an elegant card using torn vellum panels layered over a dark floral design featuring purple hydrangeas and green foliage. The transparency of the vellum creates a beautiful halo effect around the gold embossed 'THANKS' sentiment. This sophisticated technique combines tearing, layering and embossing to produce a card with wonderful depth and visual interest.

CONSIGLI DALLA PUNTATA

- Use tape pen instead of other adhesives when attaching vellum, as it shows through less noticeably.
- Torn vellum edges create a softer, more artistic look than cut edges.
