

Tecnica wax resist su biglietto embossato

UN PROGETTO DALLA NOSTRA DIRETTA - IDEAL WORLD - 12 MARZO 2025

IL PROGETTO FINITO

IL PROGETTO

Create a stunning embossed card featuring elegant leaf motifs enhanced with metallic wax. This technique combines embossing with wax resist to produce a sophisticated, dimensional design in rich copper and dark green tones. The blendable wax highlights the raised embossed details, creating an artistic, textured finish perfect for special occasion cards.

PASSO PASSO

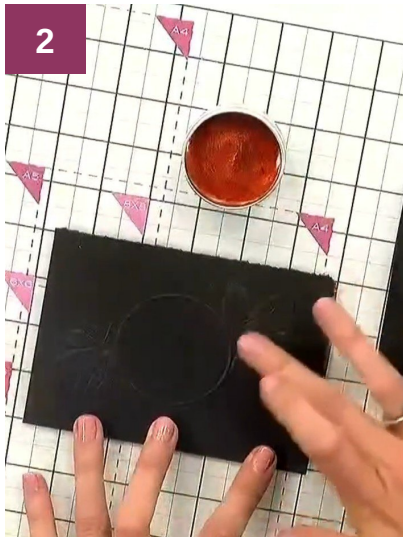

1

PASSAGGIO 1 DI 4

Warm the blendable wax by rubbing it gently on your fingertip. This will soften the wax and make it easier to apply to the embossed design.

PASSAGGIO 2 DI 4

Apply the warm wax from the pot over the embossed design on your black card, working it into the raised areas with your finger. The wax will pick up and highlight the embossed pattern.

PASSAGGIO 3 DI 4

Run your finger over the waxed embossed design to blend and intensify the colour. The wax will pick up all the embossed details from the Blossom with Grace folder, creating depth and definition in the pattern.

PASSAGGIO 4 DI 4

Build up the intensity of the embossed design by applying additional wax over the raised areas. Use the wax applicator to add more layers for a more dramatic metallic effect on the dark green card.
